- The decorative print and water-resistant coatings may not withstand prolonged exposure or rough handling.

Manufacturing Flaws

- Reports suggest that some units are assembled with incompatible or low-quality components.
- Inspections of returned items show inconsistent stitching, defective zippers, and uneven dyeing.
- The lack of transparent quality certification from the manufacturer raises red flags.

Safety and Consumer Concerns

Beyond durability, safety issues have come into focus, intensifying the mystery.

Market Response and Manufacturer Transparency

The manufacturer, Toucan Travel Gear Inc., has issued statements acknowledging some quality issues but has denied systemic flaws. They claim that the problems are limited to a small percentage of units and emphasize ongoing quality improvements.
