- Activities: Track progress, manage issues, and report to the project board.

4. Managing Product Delivery (MP)

- Objective: Ensure that project deliverables are created and delivered according to plan.
- Activities: Assign work packages, monitor progress, and quality control.

5. Managing Stage Boundaries (SB)

- Objective: Plan the next stage and report on the current stage's performance.
- Activities: Review stage progress, update project plans, and seek approval for the next stage.

6. Closing a Project (CP)

- Objective: Formalize project closure.
- Activities: Confirm project deliverables, hand over products, and evaluate project performance.

7. Directing a Project (DP)

- Objective: Provide overall direction and decision-making.
